Capturing precious moments

**Our work is a mixture of
all that a wedding is:
natural, spontaneous,
romantic, fun...**

**All you have to do is
enjoy, we'll do the rest.**

We are a husband & wife team.
This means you will each have a photographer with you.

Zandri and Kevin are the winning team when it comes to taking ones wedding photographs. From the start, they were reliable, friendly and professional. When one has a million different things to think about, it is nice to have the peace of mind knowing that your photographs are in good hands.

We could not have asked for better images capturing the full atmosphere of our wedding day. We will cherish these and will be forever grateful.

Thank you!

Love,
Jonathan and Genevieve Wessels

What happens next?

About one month before your wedding, we will meet up to talk through the plans for your special day. Having done over 200 weddings we have a good idea of what it takes to make the day run smoothly, and we will share all our tips and advice with you.

We do all of our meetings in Gordon's Bay but, if you prefer, we can do it via video chat.

Thank You!

We love weddings
and we hope to be part
of yours
